MARCH 2020 ISSUE

Ryerson w/ Jordan's Principle

In February 2020, representatives from Ryerson University visited Nibinamik First Nation with information regarding ***Jordan's Principle***.

They plan to revisit the community again in mid April 2020.

What is ***Jordan's Principle***?

Jordan's Principle is a legal requirement resulting from the Orders of the Canadian Human Rights Tribunal (CHRT) and is not a policy or program.

Jordan's Principle is a child-first principle that aims to eliminate service inequities and delays for First Nations children. Jordan's Principle states that any public service ordinarily available to all other children must be made available to First Nations children without delay or denial.

Jordan's Principle is named in honour of Jordan River Anderson, a young First Nations boy from Norway House Cree Nation in northern Manitoba, who spent his entire life in hospital while caught in a jurisdictional dispute between the governments of Canada and Manitoba, which both refused to pay for the in-home medical care necessary for Jordan to live in his home and community.

Nibinamik Winter Pow Wow Celebration

February 14-16, 2020

This year's Winter Pow Wow Celebration had a great turn out! The Pow Wow was held in the school gym, and there were several talented drums in attendance. Lots of incredible local dancers, as well as, out of town dancers and drum groups. Dinner was served daily and the 3-day celebration was an overall great success! Thank you to everyone involved!

NOTICE OF RECALL: Metformin

Nibinamik Patients with Diabetes:

A recall on Metformin aired on the news recently because some types of the medicine contain high levels of N-nitrosodimethylamine which is safe in small doses, but can cause cancer over a long time. The brand of Metformin that goes to Nibinamik is so far thought to be quite safe. **DO NOT STOP** your prescribed Metformin at this time.
